DEMOCRATIC TICKET.

AUGUST ELECTION, 1889.

For State Treasurer,

S. G. SHARP.

Of Fayette County.

For State Senator,

CHARLES B. POYNTZ,

Of Mason County.

Take Notice, Democrats.

Precinct meetings are to be held Saturday, June 8th, 1889, to choose delegates to the Convention to be held at Maysville Monday, June 10th, 1889, to nominate a candidate for Representative. The meetings will be called to order at 2 p. m. THOS. J. CHENOWETH, Chairman Democratic Executive Committee.

The election next August should emphasize the fact that "Kentucky is Democratic forever."

The fight among the Kentucky Republicans over the collectorships continues with unabated vigor.

The rumor from Washington is that the Kentucky appointments have again been postponed and will not be given out until the middle of June. Hope deferred maketh the Republican office-seeker sick.

The Republican Legislature of Rhode Island has chosen for Governor of that State a man who received less votes at the late election than his Democratic opponent. There are but few States in which such things are allowed.

The St. Louis Post-Dispatch thinks "nepotism a pleasant but costly luxury." It says: "By making Prince Russell hereditary boss of Montana, President Harrison seems to have succeeded only in making Montana solidly Democratic."

It is a significant fact that several leading Republican papers—notably the Philadelphia Press—are criticizing in severe terms Corporal Tanner's reckless throwing about of the Treasury surplus, and they call upon Congress to restrain the impetuosity of the Corporal, who ought to be promoted to the rank of Major General.—Louisville Times.

The President's son Russell doesn't seem to have been a success out in Montana. A prominent Republican out there is credited with saying that Montana would have gone Republican at the late election if "Prince Russell" had broken his back or died a natural death last fall." It is very plain that the President's son has been trying to run the new State to suit himself. It is to be hoped he will continue in the attempt.

The authorities of Bath County are taking determined steps to ferret out and punish the assassin, or assassins, who shot John B. Davidson a few days ago. Subpoenas have been issued for nearly all the male portion of the population of the vicinity where the murder was committed, and a thorough investigation is to be made. That's the way to put a stop to doings that are a disgrace to the good name of the State. Let assassins and murderers know that they will be prosecuted to the limit of the law and there will be fewer killings.

Newport's ex-Republican Treasurer has been indicted for embezzlement of \$35,000 of the city's funds. His name is Constans, and like "Honest Dick Tate," he "always stood high in the estimation of the public." As to the sum of money he is charged with pocketing it is as large as the Tate defalcation when the amount the two handled is taken into consideration. The Constans affair will take some of the wind out of the Republican sails in the contest for State Treasurer. It's almost a parallel case to that of Mr. Tate, because neither defalcation would have occurred if the provisions of the law had been rigidly enforced.

The Coming Baptist Meeting.

It is the custom when the State meetings of any denomination are held in a town for the citizens, regardless of church connection, to assist in entertaining the delegates. The General Association of Kentucky Baptists will meet in Maysville June 19th to the 21st. It is expected that several hundred delegates will be in attendance, ministers and laymen. Many of them have never been in Maysville before, and we trust for the credit of our city that these visitors will be cordially received and handsomely entertained.

A committee is now at work soliciting homes for the delegates, and we hope our citizens will upon these good people who will soon visit Maysville.

Entitled to the Best.

All are entitled to the best that their money will buy, so every family should have, at once, a bottle of the best family remedy, Syrup of Figs, to clean the system when constive or bilious. For sale in 50 cent and \$1 bottles by all leading druggists.

Public Examination at Hayswood.

To-morrow is public examination day at Hayswood. The hours are from 9 o'clock in the morning until 12 noon, and from 1:30 p. m. until 3 p. m. All persons interested in the work of the school are invited to be present. We understand that Hauke's Reed and Brass Band will add to the attractions next Wednesday evening by being present at the art reception and giving one of their delightful open air concerts, while the public enjoy the art work of the year.

Personal.

Mr. George Barbour has returned from school at Richmond, Ky.

Mrs. C. B. Williams, formerly Miss Hannah Morton Duke of Maysville, is on a visit to her old home.—Lexington Transcript.

Mr. and Mrs. George Martin, of Lexington, were in town yesterday en route home from a trip to St. Louis, Denver and other points in the West.

OUR NEIGHBORS.

GERMANTOWN.

Judge T. M. Dora remains seriously sick. Miss Minnie Harris is at home after a protracted visit in town.

Mr. D. Norris will pick at least a bushel of strawberries from his garden patch.

We think school trustees election comes off next Saturday. Suppose the old board will hold on.

Many of the prominent citizens of Maysville and the surrounding communities attended the funeral of Miss Fannie Pollock.

It was an interesting and appropriate part of the funeral arrangements of Miss Fannie Pollock—eight beautiful little girls seated around the coffin and holding in their hands beautiful flowers.

WASHINGTON.

The whisky traffic fosters idleness and vagabondage.

Virgil McKnight, of St. Paul, Minn., is at Miss Mary W. Marshall's.

Mrs. Mary Caldwell and daughter, of Sharpsburg, are visiting relatives here.

Major Charles T. Perrie, wife and son have left for their home at Booneville, Mo.

Thomas Marshall and daughter, of Salt Lake, are at Colonel C. A. Marshall's.

Remove the saloons and whisky, and idlers, vagabonds and such like will disappear as if by magic.

Rev. S. F. Taylor, after a short visit to relatives here, left this week for his home in Bullitt County.

Captain William L. Marshall, of the regular army, and his wife are visiting at his father's, Colonel Marshall.

Mrs. Mary Ann Hazlett, of Philadelphia, a sister of Mrs. Fannie Hayes, is visiting Miss Mary W. Marshall.

Wm. Bickley caught four half-grown foxes this week in the bank of the North Fork. The hole was full of chicken, rabbit and other bones.

Temperance is promotive of industry, thrift and frugality; while intemperance is conducive alone of idleness, discontent and pauperism.

Mrs. Sarah Lewis, who died recently at Hopkinsville, was well known here, where she had many relatives and friends. She was a most excellent christian woman.

Not Responsible for Bishop's Death.

New York, May 30.—The jury in the bishop inquest has rendered a verdict that Bishop died of coma, and that Drs. Irwin, Ferguson and Hance acted in good faith respecting the autopsy, but they were over zealous and hasty in the matter. The coroner thereupon discharged the three doctors, who had been under bail.

Rolling Mill Men Strike.

HARRISBURG, Pa., May 30.—About one hundred men struck at the Lochiel rolling mill yesterday, because they were asked to work in the larger mill, which has been idle since the strikers were discharged last week. Only the puddle mill is now in operation.
